## Anacostia, Hyattsville, Rockville

### ANACOSTIA.

The playgrounds at the Ketcham School and at the Congress Heights School were closed for the season last evening, after a most successful operation of six weeks. The numerous articles that had been made by the children and which had been on exhibition for several days, were turned over to those who made them. Miss Virginia Littleton was in charge of the Ketcham grounds. Efforts will be made to have the playgrounds open next season at the Van Buren School because of the overcrowded condition at the Ketcham grounds.

Until a hospital is erected in Anacostia to care for the eastern part of the Eastern Branch, all emergency cases will be treated at the Government Hospital for the Insane. The police of the Eleventh precinct have been notified to send all serious cases to this hospital instead of to the city hospital, thereby saving much time and increasing the injured person's chances.

Anacostia Council, No. 15, Junior Order of United American Mechanics, met at the Masonic Hall, 15th and M streets, last evening. Plans to send a delegation to the Star-Spangled Banner celebration to be held in Baltimore next month were considered. Candidates were also admitted to the order.

Funeral services for Guy E. Burgess, of Twining street, died Sunday at the Tuberculosis Hospital, will be held today at 4 o'clock from Emmanuel Episcopal Church, Thirteenth and V streets, of which he was a member. Mr. Burgess was twenty-nine years old, a son of R. W. and Mary A. Burgess.

The Rev. Edgar Carpenter, rector of the Brotherhood of St. Andrew, of Emmanuel Church, and members of the church will act as pallbearers today. Mrs. F. L. Bickerton, 223 Nicholson street, Twining street, will be in charge of the funeral. The funeral will be in the Congressional Cemetery.

Rain again interfered yesterday with the Twining street amateur championship series of the Potomac League grounds. The game between the Eastern and Emerald teams had progressed for three innings when it was necessary to stop the play.

Electra Chapter, No. 2, Order of the Eastern Star, met last evening with Mrs. Edna Rauchenstein, worthy matron, presiding.

The storm of last evening caused all of the street lights in this suburb to go out. They remained out for more than an hour. The storm also caused numerous trees, and in some places extensive repairs will be necessary. Some streets were covered with water, and it was impossible to cross them.

## REPORT PATENT BILL TO END MONOPOLY

Members of House Committee Find Abuses Under Present System.

Seeking the elimination of monopoly under the patent laws, the House Committee on Patents today reported the Oldfield bill, the report saying that the bill is designed to correct three abuses under the present patent system.

"First, delayed applications in the Patent Office; second, the evils arising from the vendors of patented articles imposing on the purchasers restrictions affecting the use of the articles or the price at which they must be resold to the public; third, the evils arising from the owners of patents suppressing the sale or prohibiting their use in order to prevent competition with other patented or unpatented articles sold by themselves."

The bill provides that the life of a patent shall be nineteen years from the date of the filing of the application. It also prohibits the patent owner from imposing the infringement laws to bring about restrictions in the use of any article. The bill does not declare restrictions unlawful, but says a patented article shall be on the same basis as an unpatented article in the matter of restrictions. The bill and the committee report asserts that the measure is designed to meet just such issues as was raised in the Dick mimeograph case, decided by the Supreme Court.

ROCKVILLE.  
Several thousand persons are in attendance today at the third annual Coleville horse and colt show. About thirty classes are on the program, prizes aggregating about \$1,000 and several silver cups. Following the show, a big ball will be held at Silver Spring.

The county commissioners have notified the contractor reconstructing the road from Cohasset to the District line that the contractor must complete the work soon they will seize his machinery and complete the work themselves. The work has been under construction nearly a year and only about one-third is completed.

Upon the certificate of Drs. Harry W. Miller and R. S. Devine, the commissioners have adjudged Elden Lockwood, to be of unsound mind, and have directed that he be committed to Springfield Asylum.

Sheriff Whalen has been entrusted with the duty of seeing no intoxicating liquors are consumed in public buildings. The next annual meeting of the Montgomery County Anti-Saloon League adopted a resolution calling attention to the drinking of intoxicants in public buildings and calling upon the commissioners to suppress it.

The Rev. Frank M. Richardson, pastor of the Southern Methodist Church, officiated at the marriage here yesterday of Alfred Burgess, twenty-seven, and Miss Elsie Marie Holt, eighteen, both of Washington, and Barbara Morgan, twenty-nine, of Oak Park, Va., and Miss Marie Olsen, thirty-one, of Philadelphia.
